Attn: Herbert Hetu

ADMIRAL TURNER, we at the Houston Committee on Foreign Relations are both honored and delighted that you can meet with us this 31 January. We look forward very much to being with you and hearing your message.

Please let me know by what title you would like your remarks announced. They will be not-for-attribution although news editors will be present as members of the Committee.

Herb? We have made a reservation for you at the Houston ~~Oaks~~ ^{NO} Hotel and will take pleasure in bringing you to and from our meeting but will put you in the Hyatt Regency if you would rather stay downtown. Also, we would like to meet your plane if you will let us know the time and place of arrival.

Sincerely and gratefully,

Talbott Wilson
